CAREER OBJECTIVE

Adaptable professional with 4+ years of experience and a proven knowledge of web application development, software design, and strong communication. Aiming to leverage my skills to successfully fill the Front-End Developer role at your company.

PROFESSIONAL EXPERIENCE

FREELANCE WEB DEVELOPER

Upwork Freelance work, San Diego, CA / Mar 2019 – Present

- Handling all verbal and written communications between hosting companies and clients
- Meeting with the prospective clients to review website, and gather the client's specifications for new or existing websites.
- Coding new websites using JavaScript, React.js, HTML, and many frameworks/libraries.
- Preparing multiple designs and wireframes for clients approval before proceeding with development.

PHOTOGRAPHER/VIDEOGRAPHER

Jacob Dean Photography, San Diego, CA / Mar 2018 – Present

- Planned and prepared for all on-location and studio shoots.
- Used Adobe Premier Pro, Photoshop, and Lightroom to edit captured media.
- Maintained productive professional relationships with clients, models and vendors.

REMOTE SOFTWARE DESIGNER

Bluegrace Logistics, San Diego, CA / Aug 2019 – Mar 2020

- Interpretted the client's vision into mockups and design workflows
- Designed fully functional prototypes using the mockup pages
- Created a large scale prototype for the new proprietary company software
